Feedback Analysis of Stakeholders and Action Taken Report

IQAC makes it a tradition to mandatorily collect feedback from stakeholders- students, teachers, alumni and employers. It collects and analyses the feedback from different stakeholders and submits the action taken report to the appropriate bodies.

Objective:

The objective of this exercise is to gauge the impact of all the efforts of the institution on the various stakeholders. The institution intends to enhance its benefits to reach all the stakeholders. This feedback is collected and analysed through statistical tools. Based on the opinions of the stakeholders, further action is taken by the feedback committee.
Methodology:

The Feedback on curriculum is collected from students by circulating the Feedback Forms. It is collected by the IQAC to deliberate on various suggestions made by the stakeholders. The IQAC holds a meeting to discuss the various suggestions and prepare an action taken report. The action taken report will be circulated among the staff members through the IQAC.

SR. No.	Stakeholder	Feedback	Action Taken
1.	Student	A Total of 89 students gave their feedback on curriculum for the academic year 2023-2024.	From the analysis of the students' feedback it is revealed that they are satisfied with the curriculum framed.
		Majority of the students strongly agreed that the interaction by teachers with students is more feasible and reliable.	Convey the gratitude to Faculty members and suggested to retain it.
		The students suggested that it would	Training and placement cells have arranged

		be very helpful if the Placement training can be organised from the reputed premises and can also be included as a part of the curriculum. Some teachers require their communication skills to be improved.	training classes from reputed premises like Fly High Aviation, Magic Bus, Passion Technologies, etc. Was discussed in the meeting and sessions and classes were arranged for the said faculty to improve their communication skills.
2.	Teacher	The faculty members get representations in the Board of Studies, Department Advisory Committee and Academic Council, where the staff members are getting ample opportunities to give feedback, on both curriculum and teaching learning process. Training programs should be conducted for the students in emerging areas. Dedicated teams can be developed for the participation in national level technical events.	The suggestions given by them related to specific subjects were noted for further action. Hands-on training for different software must be included. Various teams have been identified and mentors are allocated.
3.	Alumni	Training programs are needed in the recent technologies like artificial intelligence, blockchain and machine Learning. Frequent alumni interactions can be	Encouraged Students to enrol in online Courses like Advanced certification in Data Science & AI, Certification course in Big Data, Udemy courses to Procure knowledge on Intelligent technologies. 		Arranged.	to conduct more alumni meets from a group of alumnus and individuals.
		Need more value added courses.	Arranged More value added Courses on recent (content beyond syllabus) topics.
4.	Employers	Students need to be trained properly to attend placement interviews to get the campus placement.	Invited resource persons from industries were made to address what their expectations are from the students. Conduction of Mock interview by reputed organisation HR's, based on the feedback from HR, the overall lag has been identified and properly procured training.
		The skill level of the students must be improved.	Value added courses with hands-on sessions are conducted to improve the technical skills of the students.
		Basic updates in technology can be shared from time to time.	Arranged Guest lecturers to share recent technology.
5.	Parents	Need training in Personality development and communication Skills.	Mentors (Faculty) are allotted to train students personality development and communication skills.
		Parents are suggested to have intensive placement training programs for the students.	Placement training programs are started from the first
