In a heartwarming display of community appreciation and unity, the National Service Scheme (NSS) unit of Foresight College of Commerce celebrated Raksha Bandhan with the police staff at Samarth Police Station. The event, held on 30th Aug 2023, served as a platform to acknowledge the unwavering commitment of the police force while fostering a sense of togetherness between students and law enforcement officials.

The Raksha Bandhan celebration, organized by the NSS unit in collaboration with IQAC, commenced with a ceremonial Rakhi tying session. NSS volunteers and college students enthusiastically tied rakhis to the wrists of the police officers, symbolizing the bond of protection and gratitude. The event witnessed smiles and togetherness as students expressed their appreciation for the police force's dedication in maintaining law and order.

This exchange of insights provided students with a deeper understanding of the complexities of police work and the critical role officers play in upholding public safety.

The celebration also included cultural presentations that showcased the diversity and unity of the community. NSS volunteers and students presented a medley of songs, of togetherness that Raksha Bandhan embodies.

As a gesture of gratitude, the NSS unit distributed essential items and refreshments to the police staff, recognizing the sacrifices they make to ensure the safety of the community. Felicitations

speeches were delivered by Mr. Shalekh Mishra secretary DPSA's, acknowledging the police force's dedication and presenting certificates of appreciation to the officers.

Foresight College of Commerce NSS Volunteers Shine on Teachers' Day with Tree Plantation Drive

NSS Volunteers Step into the Shoes of Teachers and Promote Green Initiatives

In a heartwarming tribute to their mentors on Teachers' Day, the National Service Scheme (NSS) volunteers of Foresight College of Commerce went beyond the classroom to organize a tree plantation drive. This unique initiative saw students temporarily don the role of teachers, imparting knowledge about environmental conservation and sustainability.

As the sun dawned on Teachers' Day, the college campus was buzzing with enthusiasm as NSS volunteers, under the guidance of the NSS Program Officer, embarked on their green mission. The volunteers had meticulously planned the tree plantation drive as a gesture of gratitude to their teachers and as a means to contribute positively to the environment.

The NSS volunteers, armed with saplings and gardening tools, transformed into 'eco-teachers' for the day, educating their fellow students about the importance of trees in maintaining ecological balance, mitigating climate change, and enhancing the overall quality of life. The sessions were not only informative but also interactive, fostering a sense of responsibility towards the environment.

The tree plantation drive was executed with precision, and several species of native trees were carefully planted across the college campus. The students took pride in taking care of their newly planted green companions, understanding that nurturing these trees would be a continuous responsibility.

Mr. Faizan Shaikh, the NSS Program Officer representative, commended the enthusiasm and commitment of the NSS volunteers, stating, "Teachers' Day is not just about honoring our mentors; it's also about imbibing their values and teachings. Our NSS volunteers have done a fantastic job by actively participating in this tree plantation drive. They have not only

illustrated their love for nature but also their readiness to take on responsibilities that go beyond the classroom.*

The initiative received accolades from both students and faculty, with many expressing their appreciation for the NSS volunteers' dedication to environmental conservation. Several students also pledged to take part in future initiatives aimed at making the college campus greener and more sustainable.

Foresight College of Commerce has set a remarkable example of how Teachers' Day can be celebrated not only by paying homage to educators but also by embodying the principles they instill in their students. This tree plantation drive will undoubtedly leave a lasting impact on the college community, nurturing a culture of environmental awareness and responsibility.

In a world where environmental issues continue to be a pressing concern, Foresight College of Commerce and its NSS volunteers have shown that education is not confined to textbooks and classrooms but extends to the environment, society, and the world at large.

Hundreds of enthusiastic students flocked to the college campus to participate in the event, which ran from 10:30 AM to 3:00 PM. The atmosphere buzzed with excitement as students queued up with their necessary documents, eager to have their voices heard in the upcoming elections.

3rd Jan 2024- The National Service Scheme (NSS) unit of Foresight College of Commerce marked the birth anniversary of the esteemed social reformer Krantiveer Savitribai Phule with a visit to her statue, paying homage to the pioneer in the field of education and women's rights.

On 3rd Jan 2024, the NSS unit, comprising dedicated students and faculty members, gathered at the college premises before proceeding to the statue of Krantiveer Savitribai Phule located at Phule wada, Ganj peth. The occasion was chosen to coincide with the birth anniversary of the great social reformer, who played a pivotal role in advocating for the education of women and marginalized sections of society during the 19th century.

The students, dressed in NSS uniforms, assembled with banners and placards displaying quotes and messages inspired by Savitribai Phule's vision for education

and social equality. The NSS unit's visit aimed to not only honor the legacy of the iconic figure but also to inspire a sense of responsibility and social consciousness among the participating students.

During the event, Asst. Prof. Arman Sheikh, NSS-Program officer, addressed the gathering, highlighting the significance of Kantiaveer Savitribai Phule's contributions to education and the empowerment of women. The speaker emphasized the relevance of Phule's teachings in the contemporary context and urged students to draw inspiration from her unwavering commitment to social justice.

Following the brief ceremony, the NSS unit observed a minute of silence as a mark of respect to Kantiaveer Savitribai Phule. Flowers were laid at the base of the statue, symbolizing the students' gratitude and commitment to continuing the legacy of social reform and education.

The event concluded with a pledge taken by the NSS members to actively contribute to community service, promote education, and work towards creating a more equitable society. The NSS unit expressed their gratitude to the college administration for supporting and facilitating this meaningful tribute to a trailblazer in the history of Indian social reform.

Foresight College of Commerce NSS unit remains committed to organizing such events that foster a sense of social responsibility and contribute to the holistic development of its students.

NSS department of Foresight College of Commerce, IQAC and Rotary Club of Pune Camp Empower Young Women through ASMITA Event on National Youth Day

Financial Literacy, Mental Health, Self Defense, and Tech Savvy Skills at the Forefront

Pune, January 12, 2024

In a collaborative effort aimed at empowering young women, the NSS Department of Foresight College of Commerce, in partnership with the Internal Quality Assurance Cell (IQAC) and the Rotary Club of Pune Camp, organized a transformative event titled ASMITA on National Youth Day. With the participation of 150 enthusiastic girls, the event focused on instilling crucial life skills, including financial literacy, mental health awareness, self-defense techniques, and tech-savviness.

Mr. Anil Marika, President of the Rotary Club of Pune Camp, extended a warm welcome to all participants, emphasizing the significance of the event in nurturing confidence and resilience among young women.

Addressing the gathering, Asst. Prof. Arman Shukh from the NSS Program Office of Forensic College of Commerce, outlined the objectives of the ASMITA event. He stressed the importance of equipping young women with essential life skills to navigate the complexities of the modern world effectively.

The ASMITA event featured interactive workshops and sessions facilitated by experts in various fields. Participants were provided with practical knowledge and tools to enhance their financial management skills, prioritize mental health and well-being, learn self-defense techniques for personal safety, and develop proficiency in utilizing technology for personal and professional growth.

In a significant gesture of support and empowerment, every daughter attending the event was presented with a thoughtful goodie bag containing essential items to enhance their personal safety and well-being.

The contents of the goodie bag included:

Handbook with Multilingual Details: Each participant received a comprehensive handbook containing detailed explanations of the event's themes, with content presented in three different languages. This initiative ensures that the information is accessible to a diverse audience, promoting inclusivity and understanding.

Pepper Spray for Safety: Prioritizing personal safety, each daughter was provided with a pepper spray accompanied by clear instructions on its proper usage. This practical tool aims to empower young women to navigate their surroundings with confidence and resilience.

Multi-Vitamin Tablets Bottle: Recognizing the importance of physical well-being, participants were gifted a bottle of multi-vitamin tablets. This gesture underscores the holistic approach taken by the organizers to address both the mental and physical aspects of a woman's health.

Whistle with Keychain: A symbolic yet practical item, each participant received a whistle with a keychain for convenient and handy use. This small but impactful gift serves as a reminder for young women to raise their voices, seek help when needed, and stand up for themselves.

Mrs. Vaishali Rawal, Vice President of the Rotary Club of Pune Camp, expressed gratitude to all attendees, organizers, and collaborators for their invaluable contributions to the success of the ASMITA event. She underscored the importance of continued

efforts in empowering young women and creating an environment conducive to their holistic development and success.

The ASMITA event served as a beacon of empowerment, inspiring young women to embrace their potential and navigate life's challenges with confidence and determination. Through collaboration and community support, initiatives like ASMITA are instrumental in shaping a brighter and more equitable future for generations to come.

The ASMITA event not only provided invaluable knowledge and skills but also emphasized the significance of personal safety and well-being in the journey towards empowerment. The collaborative efforts of Fairleigh College of Commerce and the Rotary Club of Pine Camp have set a commendable example of community engagement and empowerment, making a positive impact on the lives of the young women who are the future leaders of our society.

IQAC & Placement Cell in Collaboration with LightHouse Community's Foundation conducted a 12 days soft skill programme.

Foresight College of Commerce in collaboration with LightHouse Community Foundation conducted a 12 days Soft Skills Programme for the students of BBA / BBA-CA / BCOM and BBA-IB in college campus.

It is a very popular term nowadays, used to indicate personal transversal competences such as social aptitudes, language and communication capability, friendliness and ability of working in a team and other personality traits that characterize relationships

between people. Soft Skills are traditionally considered complementary to Hard Skills, which are the abilities to perform a certain type of task or activity. Soft Skills are strategic to be successful in personal and professional life and are essential for the students when they try to obtain any kind of job.

Enterprises generally hire new employees, in particular recent graduates, taking more in consideration their Soft Skills than their Hard Skills. This happens also for technical professions, because the company, in order to be competitive, needs to create good and effective teams and a collaborative working atmosphere. The departments of the college have organized various types of activities to develop the soft skills of the students enrolled with the institution. These activities of the departments and platforms available helped the learners to learn and acquire soft skills like Communication Skills, Presentation Skills, Written Communication, Interpersonal Skills, Creativity and Leadership etc. In order to improve the communicative abilities of the students they want to Communicate More Effectively. Use Intentional Techniques to Build Stronger Relationships—Personal and Professional. ...The College Magazine to enhance the written communication of the students play a significant role. The students are given in depth lessons by organizing workshops, state level elocution competition, interfaculty debates and group discussions and expert talks of the quality speakers and the trainers throughout the academic year. These activities benefit the students to enhance the knowledge of use of language and its spoken aspect. It helped the students for their development of communication skills. To improve the Presentation Skills the departments conducted seminars for the students. The students get to participate and perform an active role in the Seminars. Topics are given to them to prepare and present to assess their performance. Every year the departments make the organization of such seminars a regular feature of the campus. The IQAC department conducts this kind of programme which helps the

students to learn the presentation skills and enhances the creative capabilities among them. The Group Discussion is the routine practice of the campus may it be the part of the curriculum or not. They learn the art of argument which helps them in practical life ahead and thus develop interpersonal skills among themselves.

Foresight College of Commerce Reveres Tradition in Vibrant Celebration

In a colorful display of reverence for tradition and culture, Foresight College of Commerce came alive on February 17, 2024, as students, faculty, and staff joined hands to celebrate the institution's Traditional Day.

Amidst an atmosphere resonating with enthusiasm and nostalgia, the college's corridors echoed with laughter and camaraderie as participants adorned themselves in traditional attire representing the rich tapestry of cultures from across the globe.

The day commenced with a ceremonial lighting of lamps, symbolizing the enlightenment that education brings. This was followed by a series of captivating cultural performances showcasing the diverse heritage of the college community. From mesmerizing dance routines to soulful musical

traditions, every performance transported the audience on a journey through time and tradition.

One of the highlights of the event was the traditional food fest, where culinary delights from various cultures tantalized taste buds and fostered a spirit of culinary appreciation and exchange.

Dr. N.H. Shaikh, Principal of Foresight College of Commerce, expressed his delight at the overwhelming response to the event, stating, "Traditional Day is not just an event; it's a celebration of our roots, our identity, and our unity as a community. It's heartening to see our students embrace diversity and celebrate it with such fervor."

Students, too, echoed similar sentiments, emphasizing the importance of such events in fostering a sense of belonging and mutual respect. "Events like these remind us of the beauty of diversity and the strength it brings to our community. It's a day where we can all come together, irrespective of our backgrounds, and celebrate what makes us unique," remarked Fairaz Shaikh, a first-year student.

As the sun set on Foresight College of Commerce's Traditional Day celebrations, it left behind memories of joy, camaraderie, and cultural enrichment. Through events like these, the college continues to uphold its commitment to nurturing not just academic excellence but also a spirit of inclusivity and cultural appreciation that transcends boundaries.

2024, they navigated through the park, exploring its diverse attractions, each offering valuable lessons in commerce and management.

From analyzing the marketing strategies behind popular rides to understanding the intricacies of operational management required to ensure seamless visitor experiences, students actively engaged with their surroundings, extracting valuable insights at every turn.

One of the highlights of the visit was a specially curated session conducted by park management, shedding light on the behind-the-scenes operations of running a successful amusement park. Students gained firsthand knowledge about revenue generation, customer satisfaction, and the strategic decision-making processes involved in managing a large-scale entertainment center.

Additionally, interactive workshops and discussions facilitated by faculty members encouraged students to critically evaluate their observations and relate them to the theoretical concepts learned in the classroom.

As the day drew to a close, students reflected on their experiences, acknowledging the invaluable lessons gained from the visit. The trip not only provided a refreshing break from traditional classroom learning but also instilled a deeper understanding of commerce principles in a real-world context.

Dr. N.B. Shukla, Principal, expressed his satisfaction with the outcome of the visit, emphasizing the importance of experiential learning in shaping well-rounded commerce professionals. He applauded the students for their active participation and encouraged them to apply the knowledge gained to their academic pursuits and future endeavors.

The experiential learning visit to Ingle's Amusement Park stands as a testament to the Department of Commerce's commitment to providing holistic education that extends beyond textbooks, preparing students to thrive in dynamic business environments.
