Workshops and Sessions:

Interactive Sessions: Eminent speakers and experts in the field conducted interactive sessions, emphasizing the importance of effective communication and presentation skills in the modern academic and corporate landscape.

Hands-on Workshops: Participants engaged in practical, hands-on workshops that provided them with the opportunity to apply the learned techniques. These workshops covered aspects such as structuring presentations, using visual aids, and handling audience interactions.

Role of Technology: The FDP addressed the integration of technology in presentations, exploring innovative tools and approaches to enhance engagement and comprehension.

Collaborative Efforts:

The collaboration between IQAC and the Department of Commerce ensured a holistic and interdisciplinary approach to the FDP. Faculty members from various disciplines within the Commerce Department actively participated, fostering a cross-disciplinary exchange of ideas and strategies.

Feedback and Impact:

Participants expressed their appreciation for the well-structured and insightful sessions, highlighting the practical relevance of the content. The FDP not only equipped them with enhanced presentation skills but also served as a platform for networking and collaboration.

Closing Ceremony:

The FDP concluded with a closing ceremony, during which certificates of participation were distributed to all attendees. Ms. Heena Shaikh Express Gratitude to Mr. Pankaj Gandhi was acknowledged for their invaluable contributions to the success of the program.

During the visit, students participated in a variety of activities:

- **Author Interactions:** Students had the opportunity to meet and interact with renowned authors, gaining insights into their writing processes and the themes of their works.
- **Workshops and Seminars:** The festival featured workshops and seminars on diverse topics such as creative writing, the future of publishing, and the importance of digital literacy. Students attended these sessions to broaden their understanding of genres and titles.
- **Book Exhibitions:** Numerous book stalls showcased a wide range of genres and titles, allowing students to explore and purchase books that piqued their interest.
- **Panel Discussions:** Students attended panel discussions on current literary trends and challenges in the publishing industry. These discussions provided a deeper understanding of the literary landscape and the issues faced by authors and publishers.

Impact and Learning Outcomes

Enhanced Literary Appreciation:

The visit to the Pune Book Festival significantly enhanced students' appreciation for literature. Exposure to a wide array of books and authors encouraged a deeper interest in reading and writing.

Practical Insights:

Engaging with industry professionals and participating in workshops provided practical insights into the fields of writing, publishing, and event organization. Students gained valuable knowledge that could be applied to their academic and professional pursuits.

Networking Opportunities:

The festival provided an excellent platform for networking. Students interacted with peers from other institutions, authors, and industry experts, fostering connections that could benefit their future careers.

Acknowledgments

The visit was made possible by the collaborative efforts of the National Book Trust, Fergusson College, Savitribai Phule Pune University, and the Pune Municipal Corporation. Special thanks to the Department of School Education and the Department of Higher Education for their support in organizing this enriching experience.

Conclusion

The experimental learning visit to the Pune Book Festival was a resounding success, offering students from Foresight College of Commerce an invaluable opportunity to immerse themselves in the literary world. The event not only enriched their academic knowledge but also inspired them to pursue their literary interests with renewed enthusiasm.

... of the Organising Committee, we would like to invite you and your colleagues to participate in the National Seminar in Pune, which will bring together many distinguished personalities from different parts of India. please go through the following details about this as given below.

Introduction

India is a multi-lingual and a multi-religious country. Indian society is pluralistic in character from the religious and other points of view. Since a very long time people belonging to various religious communities has been living together in this country. The concept of 'minority' in India has not been properly defined anywhere in the Indian Constitution. But 'minority status' has been conferred on many groups.

- I. According to the Article 29 of the Constitution, any group living within the jurisdiction of India is entitled to preserve and promote its own language, script or literature, and culture.
- II. Article 30 states that a minority group "whether based on religion or language shall have the right to establish and administer educational institution of their choice."

Problems of Religious Minorities Racial, religious, ethnic, linguistic and other minorities are subject to some or the other problems everywhere.

About IOS, New Delhi

Institute of Objective Studies (IOS) was established in the year 1986 with a view to promote empirical and conceptual research. Research is carried out on ideologies and problems relevant to Indian polity, society, economy, religion and culture. Attention has been focused on the problems of Muslims and other minority groups. The studies include the problems of development processes, community relations, social tensions, status of women etc. Within the said period the Institute has established itself as a Centre of research and intellectual activities, which is known for its objectivity in the academic world. Its achievements and programme have received recognition from the **Economic and Social Council (ECOSOC)** of the United Nations. The IOS is in Consultative Status (Roster) with ECOSOC of UN.

About IAMSS

The Governing Council of the Institute of Objective Studies (IOS) under the Chairmanship of Dr. Mohammad Manzoor Alam resolved to form an Association of Muslim Social Scientists of India in January 1992. In its initial form, it was an association to pursue the promotion of objective knowledge. In August 1992, the Governing Council of IOS approved the name of the Association as 'Indian Association of Muslim Social Scientists' (IAMSS).

The current office bearers of the IAMSS comprises of the following:

Dr. Mohammad Manzoor Alam	President
Prof. Haseena Hashia	Vice-President
Prof. Shamim A Ansari	Secretary

The main objectives of IAMSS are:

- To provide a platform to Muslim scholars of social sciences and humanities in India for academic interaction, exchange and cooperation
- To promote research and development of social sciences and humanities within an inter-disciplinary framework.
- To provide encouragement to Muslim social scientists through Seminars, Workshops, Symposia, Conferences and Publications at regional as well as national level.
- To highlight the Islamic perspective relating to various issues in social sciences and humanities as well as problems faced by the Muslim community in India.

About "Muslim Chamber of Commerce and Industries" (MCCI)

We are extremely happy to announce the formation of "Muslim Chamber of Commerce and Industries" (MCCI), with its office based in Pune.

Our aim is to build a platform for the Muslim community through which we all together should be able to bring about the desired changes in the moral, social, financial and educational conditions of the Muslim community. The Chamber will endeavor to design and develop policies and programs that will stir the development within our community.

Objectives:

1. To become a financially model community.
2. To help solve many of moral, social, financial and educational problems which are plaguing our community and our country.
1. To synchronise individual capabilities into collective strengths of the group to put the community into faster growth and development orbit.

NSS department of Foresight College of Commerce, IQAC and Rotary Club of Pune Camp Empower Young Women through ASMITA Event on National Youth Day

Financial Literacy, Mental Health, Self Defense, and Tech Savvy Skills at the Forefront

Pune, January 12, 2024:

In a collaborative effort aimed at empowering young women, the NSS Department of Foresight College of Commerce, in partnership with the Internal Quality Assurance Cell (IQAC) and the Rotary Club of Pune Camp, organized a transformative event titled ASMITA on National Youth Day. With the participation of 150 enthusiastic girls, the event focused on instilling crucial life skills, including financial literacy, mental health awareness, self-defense techniques, and tech-savviness.

Mr. Amit Mutha, President of the Rotary Club of Pune Camp, extended a warm welcome to all participants, emphasizing the significance of the event in nurturing confidence and resilience among young women.

Principal
Foresight College of Commerce
Pune

Addressing the gathering, Asst. Prof. Armaan Shaikh from the NSS Program Office of Foresight College of Commerce, outlined the objectives of the ASMITA event. He stressed the importance of equipping young women with essential life skills to navigate the complexities of the modern world effectively.

The ASMITA event featured interactive workshops and sessions facilitated by experts in various fields. Participants were provided with practical knowledge and tools to enhance their financial management skills, prioritize mental health and well-being, learn self-defense techniques for personal safety, and develop proficiency in utilizing technology for personal and professional growth.

In a significant gesture of support and empowerment, every daughter attending the event was presented with a thoughtful goodie bag containing essential items to enhance their personal safety and well-being.

The contents of the goodie bag included:

Handbook with Multilingual Details: Each participant received a comprehensive handbook containing detailed explanations of the event's themes, with content presented in three different languages. This initiative ensures that the information is accessible to a diverse audience, promoting inclusivity and understanding.

Pepper Spray for Safety: Prioritizing personal safety, each daughter was provided with a pepper spray accompanied by clear instructions on its proper usage. This practical tool aims to empower young women to navigate their surroundings with confidence and resilience.

Multi-Vitamin Tablets Bottle: Recognizing the importance of physical well-being, participants were gifted a bottle of multi-vitamin tablets. This gesture underscores the holistic approach taken by the organizers to address both the mental and physical aspects of a woman's health.

Whistle with Keychain: A symbolic yet practical item, each participant received a whistle with a keychain for convenient and handy use. This small but impactful gift serves as a reminder for young women to raise their voices, seek help when needed, and stand up for themselves.

Mrs. Vaishali Rawalh, Vice President of the Rotary Club of Pune Camp, expressed gratitude to all attendees, organizers, and collaborators for their invaluable contributions to the success of the ASMITA event. She underscored the importance of continued

efforts in empowering young women and creating an environment conducive to their holistic development and success.

The ASMITA event served as a beacon of empowerment, inspiring young women to embrace their potential and navigate life's challenges with confidence and determination. Through collaboration and community support, initiatives like ASMITA are instrumental in shaping a brighter and more equitable future for generations to come.

The ASMITA event not only provided invaluable knowledge and skills but also emphasized the significance of personal safety and well-being in the journey towards empowerment. The collaborative efforts of Foresight College of Commerce and the Rotary Club of Pune Camp have set a commendable example of community engagement and empowerment, making a positive impact on the lives of the young women who are the future leaders of our society.

Report

IQAC & Placement Cell in Collaboration with LightHouse Community's Foundation conducted a 12 days soft skill programme.

Foresight College of Commerce in collaboration with LightHouse Community Foundation conducted a 12 days Soft Skills Programme for the students of BBA / BBA-CA / BCOM and BBA-IB in college campus.

It is a very popular term nowadays, used to indicate personal transversal competences such as social aptitudes, language and communication capability, friendliness and ability of working in a team and other personality traits that characterize relationships.

between people. Soft Skills are traditionally considered complementary to Hard Skills, which are the abilities to perform a certain type of task or activity. Soft Skills are strategic to be successful in personal and professional life and are essential for the students when they try to obtain any kind of job.

Enterprises generally hire new employees, in particular recent graduates, taking more in consideration their Soft Skills than their Hard Skills. This happens also for technical professions, because the company, in order to be competitive, needs to create good and effective teams and a collaborative working atmosphere. The departments of the college have organized various types of activities

- to develop the soft skills of the students enrolled with the institution. These activities of the departments and platforms available helped the learners to learn and acquire soft skills like Communication Skills, Presentation Skills, Written Communication, Interpersonal Skills, Creativity and Leadership etc. In order to improve the communicative abilities of the students they want to Communicate More Effectively.

Use Intentional Techniques to Build Stronger

Relationships—Personal and Professional. ...The College Magazine to enhance the written communication of the students play a significant role. The students are given in depth lessons by organizing

- workshops, state level elocution competition, interfaculty debates and group discussions and expert talks of the quality speakers and the trainers throughout the academic year. These activities benefit the students to enhance the knowledge of use of language and its spoken aspect. It helped the students for their development of communication skills. To improve the Presentation Skills the departments conducted seminars for the students. The students get to participate and perform an active role in the Seminars. Topics are given to them to prepare and present to assess their performance. Every year the departments make the organization of such Seminars a regular feature of the campus. The IQAC department conducts this kind of programme which helps the

students to learn the presentation skills and enhances the creative capabilities among them. The Group Discussion is the routine practice of the campus may it be the part of the curriculum or not. They learn the art of argument which helps them in practical life ahead and thus develop interpersonal skills among themselves.

“Workshop on Office Etiquettes and Grooming”

Developing Etiquettes & Manner and Grooming, these two aspects are often neglected by the students but they forget that they are the two important pillars of anyone's personality and often are the key to success. To overcome this lacuna in the students a “Workshop on Office Etiquettes and Grooming” was organized by Club Manthan on 1/9/2018. The workshop was divided in two sessions. The first session was taken by Mrs. Varsha Deshmukh and the second one was taken by Mrs. Varad Heda. More than 80 students benefitted from this workshop.

gained valuable insights into various facets of employability skills, including communication, critical thinking, problem-solving, teamwork, and adaptability.

The event also featured engaging discussions on emerging trends in different sectors, technological advancements, and the importance of continuous learning and upskilling in today's dynamic environment. Additionally, attendees were provided with guidance on resume building, interview preparation, and professional networking, ensuring they are well-prepared for their future endeavors.

Speaking about the collaboration, Asst. Prof Armaan Shaikh, head of the Placement Cell at Foresight College of Commerce, emphasized the institution's commitment to nurturing holistic development among its students. He expressed gratitude towards Pratham Info Tech Foundation for their support in organizing the impactful initiative and highlighted the significance of such partnerships in shaping the career trajectories of the youth.

The successful culmination of the awareness campaign not only showcased the collaborative efforts of Foresight College of Commerce and Pratham Info Tech Foundation but also demonstrated their dedication to empowering students with the requisite skills and knowledge to excel in the competitive job market.

As the global workforce continues to evolve, initiatives like these play a pivotal role in preparing the youth for the challenges and opportunities that lie ahead, ensuring they emerge as competent professionals capable of making meaningful contributions to society.

Overall, the collaboration between Foresight College of Commerce and Pratham Info Tech Foundation for the employability skills awareness campaign exemplifies a proactive approach towards addressing the needs of today's youth and equipping them with the tools for success in their future endeavors.

Respected faculty members and my dear students, A very Good morning to all of you. A welcome you all to the seminar on "The Rise of Efficiency: Navigating the Future with Robotic Process Automation (RPA)".

In the landscape of rapidly evolving technology, RPA has emerged as a game-changer, revolutionizing the way businesses operate. Today, we're here not just to explore this transformative technology but to understand how it can reshape our processes, boost productivity, and open doors to new possibilities.

It is truly an honor to introduce our distinguished guest for today's RPA seminar. This individual brings a wealth of knowledge and experience in the field of Robotic Process Automation, and their insights have been instrumental in shaping the landscape of automation across industries.

Mr. Satyam Baviskar, our esteemed guest speaker, is a Senior Consultant Automation Intelligent at Percipere Global India, pune where they have played a pivotal role in driving innovation through the strategic implementation of RPA solutions for 7 years. Mohammad Danish is an RPA software engineer at Tietoenvy with 2 years of experience.

Their expertise goes beyond the theoretical framework of RPA, they have been at the forefront of translating theory into practice, successfully leading teams to implement RPA solutions that have brought tangible benefits to their respective organizations. For the same we have industry experts today.

Today, we are privileged to have them here to share their insights, experiences, and a vision for the future of RPA. Let's extend a warm welcome to a thought leader and a true expert in the field of Robotic Process Automation.

I would now request Asst. prof. Armaan Shaikh to kindly felicitate them.

Event Name: 3 days Workshop on Animation & VFX.

Organized By: IQAC Cell and BBA-CA Dept in collaboration with MAAC institute.

Location: MAAC Institute, Second floor, Arora Towers, Camp, Pune-11.

Introduction:

IQAC & Dept of BBA-CA in collaboration with MAAC Institute organised a 3-day workshop on Animation and Visual Effects (VFX) on 27th, 28th & 29th December 2023 for the students of Foresight College of Commerce proved to be an immersive and enriching experience for participants, providing valuable insights into the dynamic world of animation and VFX. The workshop succeeded in equipping participants with practical skills, industry insights, and a renewed passion for the world of animation and visual effects.

Day 1: Fundamentals of Animation

The workshop commenced with an introduction to the fundamentals of animation. Participants were given a comprehensive overview of key concepts such as frame-by-frame animation, keyframes, and the principles of motion.

Practical sessions allowed attendees to apply theoretical knowledge using industry-standard animation software.

Day 2: Exploring Visual Effects

The focus on the second day shifted towards Visual Effects (VFX). Participants delved into the techniques of creating realistic visual effects, including green screen compositing, particle effects, and digital matte painting. Case studies of notable VFX projects offered real-world examples of the impact of VFX in the film and entertainment industry.

Day 3: Hands-On Project and Software Tools

The final day featured a hands-on project where participants applied their newly acquired skills to create a short animated sequence with integrated visual effects. Software tools commonly used in the animation and VFX industry, such as Adobe After Effects, was explored in-depth. The day concluded with a showcase of participants' projects, fostering a sense of accomplishment and creativity.

We extend our gratitude to the Secretary and Principal of the college for giving us the opportunity to organise such a workshop. Special thanks to the Workshop Organiser, IQAC Coordinator, Asst. Prof. Heena Shaikh for arranging such a productive session. A heartfelt thanks to the Sales Head of MAAC Institute Mr. Shubham Singh and his team for setting up such a useful session for the students. We look forward to organising more such workshops in the future to further enrich the learning experiences of our community.

Report

The IQAC, Research, Innovation & Startup Cell of Foresight College of Commerce in collaboration with SPPU IQAC organized Avishkar Research Competition 2023-24.

Event Name: Avishkar Zonal Level Research Competition.

Organized By: Savitribai Phule Pune University

Location: Block No.1

Introduction:

The IQAC, Research, Innovation and Startup Cell of Foresight College of Commerce in collaboration with SPPU Internal Quality Assurance Cell Organised Avishkar Zonal Level Research Competition, on 23rd Sept 2023. Avishkar Zonal Level Research Competition organized by Savitribai Phule Pune University, is a prestigious annual event aimed at promoting research and innovation among students and faculty members. This competition provides a platform for participants to present their research work, engage with peers, and receive feedback from experienced judges. Our institution participated in this competition with a team of enthusiastic students, presenting innovative research projects across various disciplines.

The event was inaugurated by the Secretary Mr. Shallesh Mehta and Principal Dr. N. B. Shaikh. A total of 13 students from different courses like BBA-OM, BBA and BBA-IB participated in this competition. According to the

norms of SPPU, the first round was conducted in the college campus where these students presented their research topics and proposals and was judged on various aspects by a panel of expert faculty members. This competition was conducted under the guidance of Ms. Heena Shaikh coordinator of BBA-CA dept. Out of which 2 students with the highest score were selected for the second round.

The round two was organised at the Savitribai Phule Pune University where the selected students competed with other colleges and presented the research idea to the panel of experts. Participation in this competition was a valuable and enriching experience for our team. It provided a platform to showcase our research, receive expert feedback, and network with fellow researchers. The event successfully achieved its objectives of promoting research culture, showcasing talent, and fostering knowledge exchange. Our institution looks forward to participating in future editions of this competition and continuing to support and encourage research and innovation among our students and faculty.

Title: IoT-Based Smart Street Lamp System for Efficient Urban Lighting

Name: Mansi Pawar and Aamir Shaikh (SYBBA-CA).

Abstract:

In modern urban environments, efficient and sustainable street lighting plays a pivotal role in enhancing public safety, reducing energy consumption, and minimizing maintenance costs. This abstract presents an innovative solution: an Internet of Things (IoT)-based Smart Street Lamp System designed to revolutionize traditional street lighting infrastructure.

The IoT-based Smart Street Lamp System leverages a network of interconnected street lamps equipped with advanced sensors, communication modules, and intelligent control algorithms. These components work together to create a dynamic and responsive lighting environment that adapts to the surrounding conditions. This system represents a transformative approach to urban lighting. By harnessing the power of IoT, this system offers cities the opportunity to improve energy efficiency, reduce environmental impact, enhance safety, and optimize maintenance, all while preparing for the smart cities of the future.

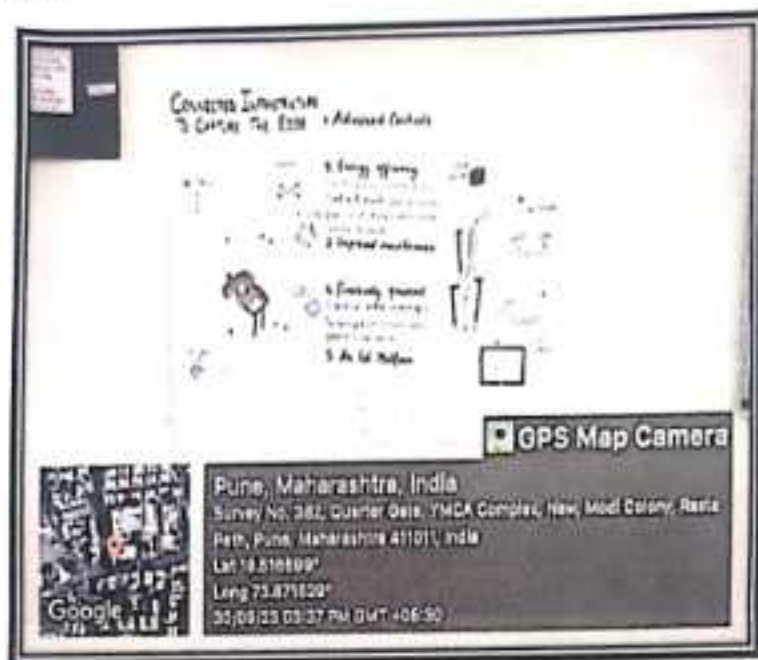

Keywords: IoT, algorithms, sensors, safety, innovative.

Report

Foresight College of Commerce Participates in Awareness and Training Programme on Operating Electronic Voting Machine (EVM) by Election Commission of India

Event Name: Awareness and Training Programme on Operating (EVM) by Election Commission of India.

Organized By: Election Commission of India

Location: College Campus

In compliance to the directions received by the Election Commission, the Internal Quality Assurance Cell (IQAC) of Foresight College of Commerce participated in a one day Awareness, Demonstration and Training Programme on "Operating Electronic Voting Machine" on Tuesday, December 26, 2023 from 11:00 AM onwards, in the college campus. The Polling Officers facilitated the training programme.

The Polling Officers and the trainers explained the functioning of Ballot Unit, Control Unit, other allied functions and operations of the electronic voting machines. They demonstrated its actual functioning and interacted with the students.

Secretary Mr. Shailesh Mehta acknowledged the trainers for practically acquainting the students and staff about operating EVM. IQAC Coordinator Ms. Heena Shaikh proposed the vote of thanks. Over 50 students benefited from this training programme.

REPORT

Foresight College of Commerce and Paytm Collaborate to Educate Students on Digital Security and Online Threats

Date:

Location: Foresight college of commerce

Introduction: In a significant stride towards enhancing students' digital literacy and safety, Foresight College of Commerce joined hands with Paytm, a leading digital payment platform, to organize an enlightening lecture focusing on digital security and the imperative need for safeguarding against online threats. The collaborative effort aimed to equip students with the knowledge and skills to navigate the digital realm securely and protect themselves from potential risks, including digital theft, fraud, and cybercrimes.

Event Highlights: The event was marked by its informative and engaging sessions, encompassing a range of crucial topics related to digital security:

Principal
Foresight College of Commerce
Pune

Expert Insights: Esteemed experts from Paytm shared their profound expertise on digital security, offering students invaluable insights into the multifaceted world of online threats and the strategies employed by cybercriminals.

Understanding Online Threats: The lecture shed light on various online threats, including phishing attacks, identity theft, and malware. Students gained a deeper understanding of the methods used by malicious actors to exploit vulnerabilities.

Practical Tips: Attendees received practical tips and recommendations to fortify their digital defenses. The discussion revolved around crafting strong passwords, utilizing two-factor authentication, and minimizing the disclosure of personal information on social media.

Securing Transactions: Students were educated about the importance of secure digital transactions. They learned about the security features embedded in platforms like Paytm and were guided on ways to verify transaction details, avoid sharing OTPs, and ensure safe interactions.

Interactive Q&A: The lecture featured an interactive segment, allowing students to engage directly with Paytm's experts. Participants had the opportunity to ask questions, seek clarifications, and delve into real-life scenarios, thereby enhancing their understanding of practical cybersecurity measures.

Significance of Collaboration: The partnership between Foresight College of Commerce and Paytm underscored the commitment of both institutions to fostering a safer digital environment for the student community. Paytm's wealth of experience and reputation in the digital payment sector complemented the college's dedication to holistic education, resulting in a well-rounded and impactful event.

Conclusion: The joint initiative by Foresight College of Commerce and Paytm to organize a specialized lecture on digital security showcased their dedication to preparing students for the challenges of an increasingly digital world. By imparting knowledge about digital threats and best practices for online safety, the event not only empowered students to protect themselves but also facilitated the creation of a digitally vigilant and resilient generation. As technology continues to advance, such collaborations remain vital in equipping students with the tools they need to thrive in the digital landscape.

Sub: Air Quality Education and AQI Awareness Programme for Schools and Colleges in Pune

Dear Madam/Sir,

As you may know, Centre for Environment Education (CEE) was established in 1984 as a Centre of Excellence of the Ministry of Environment and Forests, Government of India. As a national institute, CEE's mandate is to promote environmental awareness nationwide. CEE develops innovative programmes and educational material and builds capacity in the field of Education for Sustainable Development (ESD).

CEE in collaboration with Pune Municipal Corporation, Indian Institute of Tropical Meteorology Pune, Natural Resources Defence Council US, and Albina Foundation Pune has developed the air quality education and AQI awareness programme for schools and colleges in Pune. The programme aims to raise awareness about Air Quality Index (AQI) and educate school and college students about air quality management linking it with the curriculum.

In order to reach out to children and youth, CEE has prepared an air quality education kit including AQI flags, posters and EE activities for school and college students. The environmental educators are trained to orient teachers and conduct interactive sessions with students.

Through this programme, CEE is reaching out to 250 schools and 50 colleges in Pune to undertake following activities:

1. Enrol schools and colleges for air quality education and AQI awareness programme.
2. Orient teachers, demonstrate, and install AQI apps (Sameer/Safar-air).
3. Provide AQ education kit including AQI posters and flags, set up air quality wall.
4. Conduct EE activity and games with students, and
5. Give information about online session for teachers on air quality education.

In this regard, we request for your permission to conducting orientation of 1-2 teacher/s nominated by you and an education session with students of one of the classes or Eco Club members at your institution. We would also like to have your feedback and information collected by the educators.

We thank you for your support and are looking forward for future association with your esteemed institution on the topics of EE and ESD.

Yours sincerely,

Dr. Sanskriti Menon

CEE is a registered society, established in 1984 as a Centre of Excellence of the Ministry of Environment, Forest and Climate Change, Govt. of India, Head Office, CEE, Thane, Telere, Ahmedabad 380 054, India, Phone: +91-79-26260002

The program aimed to educate participants about the various facets of air quality, its impact on health and the environment, and measures to mitigate pollution.

Under the guidance of expert environmentalists and educators, attendees were enlightened about the significance of monitoring AQI levels and adopting sustainable practices to improve air quality. Additionally, the program emphasized the role of community engagement and collective action in combating air pollution.

Notably, the collaborative effort between Foresight College of Commerce, Centre for Environment Education Central Regional Cell, and PMC underscored the importance of interdisciplinary cooperation in addressing environmental challenges. By fostering awareness and empowering individuals with knowledge, the initiative strives to foster a culture of environmental stewardship and promote sustainable living practices within the community.

The success of the Air Quality Education and AQI Awareness Program highlights the pivotal role that educational institutions and civic organizations can play in driving positive change for a healthier and more sustainable future. As stakeholders continue to advocate for cleaner air and environmental conservation, initiatives like these serve as crucial stepping stones towards achieving tangible progress in safeguarding our planet's well-being.
