### 3.3.1 Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

Extension activities play a pivotal role in sensitizing students to social issues and contributing to their holistic development. The institution recognizes the importance of community outreach and encourages students to actively participate in various initiatives that not only address societal needs but also promote the development of values such as empathy, social responsibility, and civic engagement. These activities provide students with real-world exposure, enabling them to understand the complexities of social issues and empowering them to contribute positively to society.

#### Impact of Extension Activities on Sensitizing Students to Social Issues

##### 1. Awareness of Social Inequality and Poverty:

Through initiatives like **blood donation drives**, **health camps**, and **donation drives for underprivileged communities**, students gain firsthand experience of the challenges faced by marginalized groups. Engaging with disadvantaged communities helps students understand issues such as poverty, access to healthcare, and basic education. This exposure fosters a deep sense of social responsibility and empathy, motivating students to contribute to reducing inequality and improving the lives of others.

##### 2. Environmental Awareness:

The institution organizes **clean-up drives**, **tree plantation programs**, and **sustainability workshops**, which sensitize students to pressing environmental concerns such as waste management, pollution, and climate change. These activities encourage students to adopt eco-friendly practices and advocate for environmental conservation. Through these hands-on

### 3. **Gender Equality and Women's Empowerment:**

The institution has been proactive in organizing programs on **gender sensitization, awareness about women's rights, and self-defense workshops**. Students participate in campaigns promoting gender equality and women's empowerment, which helps to challenge societal norms and prejudices. Engaging with topics like women's education, domestic violence, and equal opportunities fosters a culture of respect and equality among students.

### 4. **Health and Wellness Awareness:**

In collaboration with healthcare professionals, the institution organizes **health check-ups, mental health awareness campaigns, and nutrition workshops**. These activities address important health-related concerns and encourage students to adopt healthy lifestyles. By addressing issues such as mental health, substance abuse, and sexual health, the institution helps students develop a balanced approach to personal well-being.

### 5. **Legal Literacy and Social Justice:**

The institution conducts workshops and seminars on **legal rights, consumer protection, and social justice issues**. These sessions help students understand their rights and the importance of justice in a democratic society. Students are encouraged to become proactive in promoting human rights and social equity. ### Foresight College of Commerce NSS Volunteers Shine on Teachers' Day with Tree Plantation Drive

#### NSS Volunteers Step into the Shoes of Teachers and Promote Green Initiatives

In a heartwarming tribute to their mentors on Teachers' Day, the National Service Scheme (NSS) volunteers of Foresight College of Commerce went beyond the classroom to organize a tree plantation drive. This unique initiative saw students temporarily don the role of teachers, imparting knowledge about environmental conservation and sustainability.

As the sun dawned on Teachers' Day, the college campus was buzzing with enthusiasm as NSS volunteers, under the guidance of the NSS Program Officer, embarked on their green mission. The volunteers had meticulously planned the tree plantation drive as a gesture of gratitude to their teachers and as a means to contribute positively to the environment.

The NSS volunteers, armed with saplings and gardening tools, transformed into 'eco-teachers' for the day, educating their fellow students about the importance of trees in maintaining ecological balance, mitigating climate change, and enhancing the overall quality of life. The sessions were not only informative but also interactive, fostering a sense of responsibility towards the environment.

The tree plantation drive was executed with precision, and several species of native trees were carefully planted across the college campus. The students took pride in taking care of their newly planted green companions, understanding that nurturing these trees would be a continuous responsibility.

Mr. Faizan Shaikh, the NSS Program Officer representative, commended the enthusiasm and commitment of the NSS volunteers, stating, "Teachers' Day is not just about honoring our mentors; it's also about imbibing their values and teachings. Our NSS volunteers have done a fantastic job by actively participating in this tree plantation drive. They have not only

onstrated their love for nature but also their readiness to take on responsibilities that go beyond the classroom."

The initiative received accolades from both students and faculty, with many expressing their appreciation for the NSS volunteers' dedication to environmental conservation. Several students also pledged to take part in future initiatives aimed at making the college campus greener and more sustainable.

Foresight College of Commerce has set a remarkable example of how Teachers' Day can be celebrated not only by paying homage to educators but also by embodying the principles they instill in their students. This tree plantation drive will undoubtedly leave a lasting impact on the college community, nurturing a culture of environmental awareness and responsibility.

In a world where environmental issues continue to be a pressing concern, Foresight College of Commerce and its NSS volunteers have shown that education is not confined to textbooks and classrooms but extends to the environment, society, and the world at large.

## Objective:

The primary objective of the event was to actively contribute to the cleanliness and preservation of the Mula and Mutha rivers in Pune, organized under the "My River My Valentine" initiative together with the ELC Club, WE Foundation, and the Pune Municipal Corporation (PMC). The NSS Unit of Foresight College of Commerce enthusiastically participated in this initiative, aiming to make a tangible difference in the environmental health of the rivers and their surroundings.

February 11, 2024-The NSS Unit members gathered at the designated meeting point near the banks of the Mula and Mutha rivers at 7:00 AM. Upon arrival, they were briefed about the importance of the cleanup initiative and the significance of their role in preserving the water bodies. The activities conducted during the event included:

NSS volunteers actively participated in a comprehensive cleanup drive along the banks of both rivers. Equipped with gloves, garbage bags, and other necessary tools, they meticulously collected litter and debris, ensuring the cleanliness of the riverbanks.

In addition to the cleanup efforts, the NSS Unit conducted an awareness campaign to educate the local community about the importance of maintaining clean and healthy rivers. Volunteers distributed informative pamphlets and engaged in discussions with passersby, emphasizing the need for collective action in preserving natural resources.

The collected waste was segregated into recyclable and non-recyclable categories by the NSS volunteers. Recyclable materials were separated for proper disposal or recycling, while non-recyclable waste was disposed of responsibly, adhering to environmental regulations and guidelines.

The NSS Unit members worked cohesively in teams, fostering a sense of teamwork and camaraderie. They supported each other throughout the cleanup process, maximizing efficiency and ensuring the successful completion of the initiative.

**Impact:** The participation of the NSS Unit of Foresight College of Commerce made a significant impact on the cleanliness and preservation of the Mula and Mutha rivers. By actively engaging in cleanup activities and raising awareness within the community, the NSS volunteers contributed to the enhancement of the environmental quality of the rivers and their surroundings. **Sub: Air Quality Education and AQI Awareness Programme for Schools and Colleges in Pune**

Dear Madam/Sir,

As you may know, Centre for Environment Education (CEE) was established in 1984 as a Centre of Excellence of the Ministry of Environment and Forests, Government of India. As a national institute, CEE's mandate is to promote environmental awareness nationwide. CEE develops innovative programmes and educational material and builds capacity in the field of Education for Sustainable Development (ESD).

CEE in collaboration with Pune Municipal Corporation, Indian Institute of Tropical Meteorology Pune, Natural Resources Defence Council US, and Alleima Foundation Pune has developed the air quality education and AQI awareness programme for schools and colleges in Pune. The programme aims to raise awareness about Air Quality Index (AQI) and educate school and college students about air quality management linking it with the curriculum.

In order to reach out to children and youth, CEE has prepared an air quality education kit including AQI flags, posters and EE activities for school and college students. The environmental educators are trained to orient teachers and conduct interactive sessions with students.

Through this programme, CEE is reaching out to 250 schools and 50 colleges in Pune to undertake following activities:

1. Enrol schools and colleges for air quality education and AQI awareness programme,
2. Orient teachers, demonstrate, and install AQI apps (Sameer/Safar-air),
3. Provide AQ education kit including AQI posters and flags, set up air quality wall,
4. Conduct EE activity and games with students, and
5. Give information about online session for teachers on air quality education.

In this regard, we request for your permission to conducting orientation of 1-2 teacher/s nominated by you and an education session with students of one of the classes or Eco Club members at your institution. We would also like to have your feedback and information collected by the educators.

We thank you for your support and time and looking forward for future association with your esteemed institution on the topics of EE and ESD.

Yours sincerely,
