Alumnus Interaction

The Department of Commerce organized a guidance talk on December 09th, 2023, entitled "How to Secure Ph.D. Positions Abroad" and explored various funding agencies offering research programs. Miss Manasi, a Research Scholar at Pune University, Pune, and an alumnus of the Department of Commerce, delivered the talk. She discussed the opportunities for obtaining fellowships abroad and the recent trends in research within the field of commerce and business studies. Her presence in the department served as a great source of motivation for students to pursue research careers.

Miss Sayali, a recent graduate from the Department of Commerce and Alumni who has successfully qualified for the CRACKed CS exam, shared her experiences and explained the various opportunities in the field of commerce. She discussed how the commerce sector offers diverse career paths and how pursuing a qualification like CS (Company Secretary) opens doors to numerous professional opportunities.

In her speech, Miss Sayali highlighted the importance of the CS qualification in corporate governance, legal compliance, and business law. She shared her personal journey, emphasizing the challenges and rewards of preparing for the CS exam, and encouraged students to explore the vast potential within the commerce field. According to her, the CS profession not only provides job stability and growth but also allows professionals to play an integral role in the decision-making processes of top organizations.

Report

Foresight College of Commerce IQAC Cell and Department of BBA-CA in collaboration with Educate RPA organised a seminar on "The Rise of Efficiency: Navigating the Future with Robotic Process Automation (RPA)"

Event Name: Seminar on RPA

Organized By: Foresight College of Commerce

Location: Seminar Hall

Introduction:

Foresight College of Commerce IQAC Cell and Department of BBA-CA in collaboration with Educate RPA organised a seminar on "The Rise of Efficiency: Navigating the Future with Robotic Process Automation (RPA)" on 4th January 2024 in the seminar hall to provide insights into the rapidly evolving field of RPA. The seminar aimed to educate participants about the principles, applications, and future prospects of RPA in various industries. It brought together industry experts, academicians, and students to discuss the impact of automation on business processes and the workforce.

The Seminar was inaugurated by Secretary of the college Mr. Shailesh Mehta and Principal Dr. N. B. Nasir. Mr. Armaan Shaikh welcomed the Guest and Team Educate RPA. Ms. Heena Shaikh, coordinator of BBA-CA department was the convenor for the event.

The technical sessions and Workshop was conducted by Mr. Satyam Bhavaskar and Mr. Mohd Danish Ansari. The key highlights of the Seminar

was Expert Insights, Hands-On Experience, In-Depth Knowledge of the Technology and the future trends. The interactive workshop provided hands-on experience with leading RPA tools, enabling participants to understand practical implementation. The trainers demonstrated using many popular RPA tools like UiPath, Automation Anywhere, and Blue Prism. The feedback from the participants was overwhelmingly positive. Students appreciated the comprehensive coverage of topics and the quality of the speakers.

The Seminar on Robotic Process Automation was a resounding success, achieving its objectives of educating and engaging participants on the subject of RPA. It provided valuable insights into the technology, its applications, and future trends, while also offering practical experience and networking opportunities. We look forward to organizing more such events in the future.

To,
Mr. Satyam Baviskar
Mentorship Lead,
Educate RPA, Pune

Subject: Expressing Gratitude for Your Insightful Contribution to the "The Rise of Efficiency: Navigating the Future with Robotic Process Automation RPA Seminar.

Dear Sir,

I hope this letter finds you well. On behalf of Foresight College of Commerce, I would like to express our sincere gratitude for your invaluable contribution to our recent seminar on Robotic Process Automation (RPA). Your insights and expertise added immense value to the event, making it a resounding success.

Your presentation on "Navigating the Digital Transformation Landscape: Harnessing RPA for Business Excellence" was both informative and inspiring. The depth of knowledge you shared, coupled with practical examples, provided our attendees with a comprehensive understanding of the significance of RPA in today's business environment.

Your presence not only elevated the quality of our seminar but also contributed to the overall success of the event. We deeply appreciate the time and effort you dedicated to preparing and delivering such a compelling session.

Once again, thank you for your collaboration and for being an integral part of our seminar. We look forward to the possibility of working together in the future and hope to welcome you back for more such enriching events.

Warm regards,

Dr. N.B. Shaikh Principal
